# EDITOR'S CORNER

We have received information that the church will continue to be closed for September and October because of the current continuing virus situation. We hope all our members are keeping safe, and do wear masks... they *do* help. We hope to learn, when this is over, that all our members have survived, and are still collecting. We look forward to future meetings.

# WE WELCOME VISITORS

Please view our website **sastamps.org** for information on our meeting schedules

SAPA is always happy to welcome visitors. We hope you will enjoy our activities and wish to join us as members.

All visitors are welcome to purchase stamps at our auctions, bourses and bag nights. Anyone wishing to sell or trade at our meetings must be a member.

## AUCTION ETIQUETTE :

Be sure to get your Bidder's number card before the auction starts. Come early and look over the lots for sale before the auction. During the auction, lots will be identified by their lot number and a brief description of the lot.

When bidding for a lot, please raise your Bidder's Number card and keep it up until you no longer wish to bid. Flipping the card up and down is confusing for the auctioneers.

Please keep extraneous conversation to a minimum. This makes it easier for everyone to hear what the auctioneer is selling, and allows the auctioneer to more easily keep track of the bidding.

While your purchases will be given to you during the auction, please wait until the end of the auction to pay for them. Your name will be called as the tallys are completed. Those who are only buying will be called first. Buyers who are also sellers will be called next. Checks made out to S.A.P.A. are acceptable. Sellers with unsold lots should be sure to pick up their lots before leaving.

Please be sure to return the Bidder's Number cards so that we can use them again in the following auctions.

**We look forward to meeting you.**

# *President's Message*

Dear Members,

As they say sometimes, "Hope Springs Eternal". In May it way hoped the pandemic would start to go down. Unfortunately, this was not to be. After the Memorial Day holiday we saw a steady rise in the infection rate in Texas and across the US. As a result all our in-person meetings were cancelled for the summer. When we will go back to having in-person meetings, no one can say at this time. The board is waiting to hear from the church as to when they may allow on-site meeting again. When we do try to meet, the club will have to make significant changes in how we meet and how often. What the new rules will be will be determined at a future date. The board will take input from all the members as to what the rules will be to keep us safe. So as I said in May, work on your collections at home and stay safe.

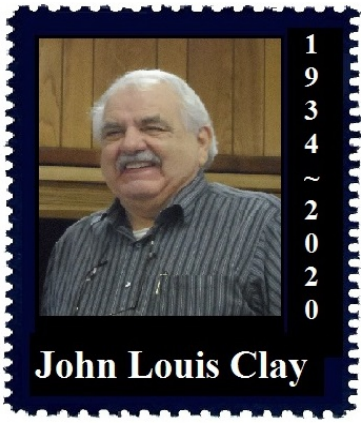
## BAG NIGHT STAMPS

There are still many bags of stamps left over from "Bag Night." As you know, we were only able to have one "Bag Night" this past year before we were shut down. These are great stamps – all are off paper. Two bags were never searched by anyone and are available for $10 each. Quite a few bags were searched by only one person and are available for $3 each. Finally, the bags that were searched by two or more persons can be yours for $1 each. These bags will definitely give you something interesting to do during these days of isolation. If interested in one or more of these bags, contact Steve or Nancy Mabie, (210) 490-9997. We can meet you somewhere safe to make the exchange.

Thank you! *Nancy Mabie* *Sept.2020*

## SA&ST POSTCARD CLUB

Like just about everything else, the San Antonio & South Texas Postcard Club has been unable to meet because of the restrictions imposed by the COVID-19 pandemic. Until the restaurants are able to reopen to their full capacity, we will not be holding any meetings. If you would like any information about the San Antonio & South Texas Postcard Club, please contact the club secretary, Nancy Mabie at NRMabie@gmail.com. *Sept. 2020*



## CLOSED ALBUMS

**John Louis Clay**

1934~2020

John Clay passed away July 18, 2020. He was an enthusiastic stamp collector, and joined SAPA in 2008, Member #2785. He held office as our President from 2010 - 2013.

John served in the U.S. Air Force for 20 years as a Tech Sergeant, working on the Peacemaker aircraft. While stationed in Osaka, Japan, he met Reiko Ueki, and married her. After leaving the military, he had a long career at 3M, then retired and joined H & R Block. John had a delightful sense of humor, and people smiled when they talked with him. He will be greatly missed by his family and all his friends.

## Message from Pat

"Hi Folks! Well, here I am again! It seems you can't get rid of a "bad penny". I'm still trying to raise money for the Juniors (our future).

I have prepared some lots that Steve Mabie has graciously consented to sell for me. They are a potpourri of various philatelic items. These packets are $8 and the money goes to the Juniors. If you are interested, contact Steve Mabee at (210) 490-9997for arrangements etc.

Good luck with your collection.

**Yours in Philately,** *Pat Richmond*

# ODD COLLECTIONS BY ZURA

*(The Philatelic Advocate, Berlin, Ontario, Vol. 7, No. 3 –September 1899)*

The average collector only secures one specimen of each stamp issued by a given country and little dreams of the freaks and oddities collected by the specialist. He in turn is ignorant of many unique and "Positively Unique" (this latter by permission of "Drew" of Boston) collections which one will find in this country and abroad.

One collector collects in pairs, used or unused, and then in blocks of 4, 6 or 8 as the case may be, still another collects stamps by the entire sheets. A certain collector in England has a collection of the 1d blacks 1840, on the entire covers, each one dated and used each day while the issue was in use.

Some American collectors procure entire envelopes by the box. A collection of this kind is arranged on shelves, the date, issue and size of the envelope being on each succeeding box, of course only the rich can indulge in this wholesale accumulation.

Several, in fact thousands, endeavor to secure, one specimen of the fist issue of every country on the globe, but very few of these are complete as many of the first stamps issued are among the rarest of the race.

The collection of entires, both envelopes and adhesives, is very fascinating, the only thing that vetoes this among many collections is the space required for arranging and classifying them.

An odd and interesting collection of one collector consists of several hundred ordinary 1c and 2c stamps each one bearing a legible cancellation and representing all the large cities in the "Union." This can be secured by any collector, at a slight cost and which when shown to visiting friends (non collectors) will cut more "ice," as the kid says, than a collection of rare stamps. Right here I would say: it don't pay to show rare stamps to folks unless they are educated enough to appreciate them. As stamps worth 2c are just as interesting to the average person as one worth $50.00.

The above are only a few of the many known oddities in the way of collections, there are probably hundreds of others just as interesting and unique.
