BLUE CHIP AUCTION 2021 INFO

We will have our Blue Chip Auction on December 3rd, 2021. Lots can be Mailed or given in person to our auctioneer, Chip Swinney. He needs to receive all lots for the auction by the September 24th meeting. This is because, in order to publish the list of lots in the Nov-Dec Philatex, they must get to me by October 15th, to be mailed out in the Nov-Dec issue. The lots will be on display at the 1st and 3rd club meetings of November.

If you miss the deadline, you can still place your lots in the auction on the 3rd. They just will not be on the list. Lots placed in auction late may or may not be Blue Chip condition.

Each lot for this auction must have a minimum catalog value of $20.00, including late lots. Please make sure all lots are in Blue Chip condition. As always, mail-in bids and other in-advance bids will be accepted. Contact Chip at 210-542-5448, or email him at < wswinneyjr@satx.rr.com >.

WE WELCOME VISITORS

Please view our website **sastamps.org** for information on our meeting schedules

SAPA is always happy to welcome visitors. We hope you will enjoy our activities and wish to join us as members.

All visitors are welcome to purchase stamps at our auctions, bourses and bag nights. Anyone wishing to sell or trade at our meetings must be a member.

AUCTION ETIQUETTE :

Be sure to get your Bidder's number card before the auction starts. Come early and look over the lots for sale before the auction. During the auction, lots will be identified by their lot number and a brief description of the lot.

When bidding for a lot, please raise your Bidder's Number card and keep it up until you no longer wish to bid. Flipping the card up and down is confusing for the auctioneers.

Please keep extraneous conversation to a minimum. This makes it easier for everyone to hear what the auctioneer is selling, and allows the auctioneer to more easily keep track of the bidding.

While your purchases will be given to you during the auction, please wait until the end of the auction to pay for them. Your name will be called as the tallys are completed. Those who are only buying will be called first. Buyers who are also sellers will be called next. Checks made out to S.A.P.A. are acceptable. Sellers with unsold lots should be sure to pick up their lots before leaving.

Please be sure to return the Bidder's Number cards so that we can use them again in the following auctions.

We look forward to meeting you.

President's Message

Dear Members,

It's been a tough week for a lot of people around the world. There was the pullout from Afghanistan (whether you agree or not). There was the hurricane to hit Louisiana. Having grown up on the coast, we had an old saying, "If it's above one, Cut and run). I feel for the people who couldn't go. And then there was the rise in Covid cases in children. I don't understand. When I was young, almost nobody refused to get the polio vaccine. So much for the preaching.

I have been isolating at home for the last week. Due to some adverse effect of my immune-therapy, my doctors have put me on some drugs that damp-down my immune system. As a result I have to stay away from people as much as possible. Exposure to just the common cold could put me in the hospital. So you will not see me at any future meetings for a while. I hope the auction goes well, and I will be back as soon as possible. Stay well.

Dr. Eric Shepherd

You will have noted the postal price changes that took effect 29 August First-Class Mail prices increased by 6.8 percent to offset declining revenue due to First-Class Mail volume declines. In the past 10 years, mail volume has declined by 46 billion pieces, or 28 percent, and is continuing to decline. Over the same period, First-Class Mail volume has dropped 32 percent, and single piece First-Class Mail volume — including letters bearing postage stamps — has declined 47 percent.
