WE WELCOME VISITORS

SAPA is always happy to welcome visitors. We hope you will enjoy our activities, and wish to join us as members.

All visitors are welcome to purchase stamps at our auctions, bourse, and bag nights. Anyone wishing to sell or trade at our meetings must be a member.

AUCTION ETIQUETTE:

Be sure to get your Bidder's number card before the auction starts. Come early and look over the lots for sale before the auction. During the auction, lots will be identified by their lot number and a brief description of the lot.

When bidding for a lot, please raise Bidder's Number card and keep it up until you no longer wish to bid. Flipping the card up and down is confusing for the auctioneers.

Please keep extraneous conversation to a minimum. This makes it easier for everyone to hear what the auctioneer is selling, and allows the auctioneer to more easily keep track of the bidding.

Please wait until the end of the auction to pay for your purchases. Your name will be called as the tallys are completed. Those who are only buying will be called first. Buyers who are also sellers will be called next. Checks are acceptable, made out to S.A.P.A.

Sellers with unsold lots should be sure to pick up their lots before leaving.

Please be sure to return the Bidder's Number cards so that we can use them again in the following auctions.

We look forward to meeting you.

BAG NIGHT is Sept. 5th
Come one, come all!
FUN STARTS AT 7:30 pm

POETRY FROM A NONPOET

World wide stamp collecting is my game.
Although not all countries can I name.
Oh, well, I'll do it just the same.
I collect Christmas, butterflies, and more,
As well as countries – three or four.
I'm addicted, right to the core.
As member chairperson, I have to relay,
Come join us – what do you say?
It's a great hobby in every way!

Dora Roberts

I know, don't quit my day job, right?

My dues letters will be coming to you toward the end of September, or the first week of October. I will be relying heavily on you sending your checks to me this year as my job takes me longer to get to club and I am always late. You can still bring them and give to Fred or Lea, but since I do the majority of paperwork at home, it makes sense to mail your dues to me there. My address as usual will be in the dues letter. Thanks in advance, and happy stamping.

Dora Roberts

Program Notes

Sept. 19, 2008 - "Souvenir Cards" by Bob Joyce

Souvenir Cards -What are they? Where do they come from? How can you identify them? How many are there? What publications help to identify them?

Come to the September 19, 2008 meeting and learn about another facet of philately. Door prizes will be given at the end of the program.

Bob's program sounds most informative. I'm looking forward to it.

Oct. 24, 2008 - "Philatelic Tools and Supplies" by Judy Grant

What do you need to collect stamps—besides stamps? Judy Grant will review tools and supplies used by stamp collectors from a "Consumer Reports" perspective. She will share recommendations and experiences from club members and others.

Yours in Philately, Pat Richmond

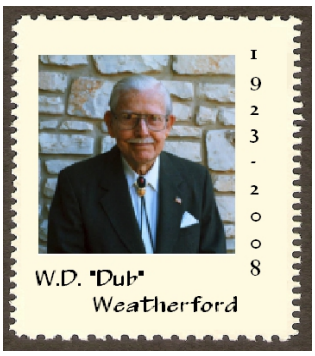
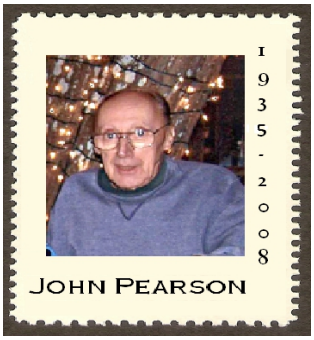
CLOSED ALBUMS



W.D. "Dub" Weatherford, Jr., 84, of San Antonio, Texas passed away Sunday, June 29, 2008 in Denton, Texas. He was born in Orange, Texas on November 20, 1923.

Although Dr. Weatherford's degrees were in Chemical Engineering, his main professional activities and interests were in the field of combustion science, with numerous excursions into other fields. He was a charter member of the Combustion Institute and Treasurer of its Central States section. He was a member of the American Institute of Chemical Engineers and is listed in American Men and Women of Science.

He joined Sapa in1990, Member # 2545. Following retirement he became an active member, serving as Membership Chairman, President and member of the Board of Governors. Among other things, he liked to collect Native Americans on stamps of all countries, and trains on stamps of all countries.For many years Dub and his wife Barbara hosted our Summer Picnics at his home. He will be missed by all who knew him.



John T. Pearson, Sr. passed away August 3, 2008 in San Antonio. He was born December 9, 1935 in Burlington, Iowa. He had a long and distinguished career, serving his country as an enlisted serviceman, an Air Force civil servant, a Texas Air National Guard member, an Air Force Reservist and finally as a Contractor for the USAF. He retired from federal civil service in 2001 as a G-14, the most senior Intel analyst in AIA and AFIOC, having over 40 years of combined federal/military service.

John began collecting stamps as a small boy, and resumed the hobby around 1960 while stationed in Germany. On his return to San Antonio in 1962, he joined SAPA, Member # 2578, and also TPA. He served as club treasurer in 1964, president in 1976, and has served many years as auctioneer and assistant auctioneer. He also served as a board member of TPA. John was a stamp dealer, and a member of the TSDA, and served as manager for the TSDA bourses.

Warren Crain writes of his friend: *What a great shock to learn of John Pearson passing! We were both very close & were always doing things together. He was very helpful to me in many ways. Coming from stamp bourses or shows in the Dallas area, John would follow me home in his car to be sure I got home safely. We would always stop in Waco and eat supper at the Cracker Barrel. Barney Brandt & his wife, and Mel Edmunds usually joined us. From Houston we usually stopped in Colombus for Mexican food. Those were fun days. John was a very generous person who would give you the shirt off his back if he thought you needed it. He was my pal, and I loved him dearly. I shall always remember him and will miss him greatly. He was one of the good guys.*

For purple mountain majesties Above the fruited plain.

America! America! God shed his grace on thee,

And crown thy good with brotherhood From sea to shining sea..

Program Notes June 20, 2008 "Philatelic Surprise" by Tony Bir

Ration Stamps

Newspaper Stamps

Tony Bir?????

HEY!!!! What happened here? That 'ain't Tony Bir! Or is it Tony Bir in a Richard Rose Suit?????? Naw!! That's really our illustrious Vice-President, Richard Rose. Tony's surprise was that Tony had to be out of state and could not get back in time (although, he did offer to leave early and come back just to give our program. Whatta Guy!!)

Richard Rose filled in for Tony and gave an almost impromptu program on "Ottoman Overprints—True or False?"

Richard included in his handout a list of 15 elements to use in testing a stamp with a Turkish overprint.

According to Richard, initially the printer purchased the stamps and applied them to the posters and newspapers after printing prior to distribution.

However, from 1875 until the end of the imperial regime, the Ottoman Ministry of Finance decided to tighten the restrictions for the fee on the printing of newspapers and advertisements. They required printers to apply the stamps onto the paper ***prior*** to printing, so that the stamps quite often were overprinted by whatever words, designs or illustrations were printed on the paper. At the same time, the Ottoman Ministry of Post, Telegraph and Telephone (PTT) overprinted regular postage stamps to pay the special rates for other printed matter.

Richard had approximately 600 Turkish stamps with overprints on them that he passed around and shared with us. He had evidence that he had used his 15-element forgery guide on each of the stamps. (Ouch! Richard, you are giving me a brain-ache!!!)

The original hand stamp for the overprints was **1** hand-carved, wooden hand stamp. It was used between 1891-1893. The following two hand stamps were metal. They were used between 1894 and 1901. No wonder there are so many differences in the overprints.

Another factor in the problem of the overprints is that somewhere along the line, one of the employees (?) started overprinting some for rich collectors, etc. We've heard of CTO's (Cancelled To Order), well, I (Pat Richmond) have named these forgeries OTO's (Overprints To Order). {*It was, after all, the OTtOman Empire -- Lea*}

Nevertheless, the program was very interesting and informative. Richard says that there are approximately 500 worldwide collectors of Turkish Stamps. A very select group of approximately 20, however collect Turkish Overprints.

Thanks, Richard for stepping in at such short notice and giving everyone present an entirely new angle on philately.

Yours in Philately, Pat Richmond

"Ph"eatured "Ph"ilatelist Barnie Brandt Orila and Barnie Brandt

Byron "Barnie" Brandt was born on June 6, 1930 at home in Ripley County, Indiana. He had one older sister. He attended school in Napoleon, Indiana, but quit school in 1946 before he graduated, but he finished his education in the Air Force.

He went into the Air Force in 1951. Then he met his lovely wife, Orila, when he was stationed in Utah at Hill AFB (near Ogden). Orila was a Civil Service worker---an airplane mechanic. How cool is that!!! She actually dismantled airplanes. They were married on February 14, 1953. They have four children, Cora Ann, Cheryl Ann, Carol Ann and Charles Andrew. They also have 5 grandchildren and 2 great-grandchildren.

He was first sent to Japan and Korea, to Tampa, Florida, then to France. From France he went to Perrin AFB in Dennison, Texas then to Lackland AFB in San Antonio, Texas in 1963. He got out of the service the first time in 1959.

From 1963-1968 he worked for the Post Office as a carrier.

Then he was recalled into the service in 1968 and went to the Phillipines, back to Randolph AFB then to Viet Nam and Germany. He retired from the service in Germany in 1976. He came back to live in San Antonio, Texas, where they still had a home.

Barnie started collecting stamps when he was working for the Post Office from 63-68. As it happened, in about 1965, his daughter Cherie was in the Girl Scouts and wanted to earn a merit badge. Barnie's boss helped her with a stamp collection and she got her badge. She did not pursue the hobby, but Barnie thought it seemed pretty interesting, so he took over her collection. And, as they say—a Philatelist was born!

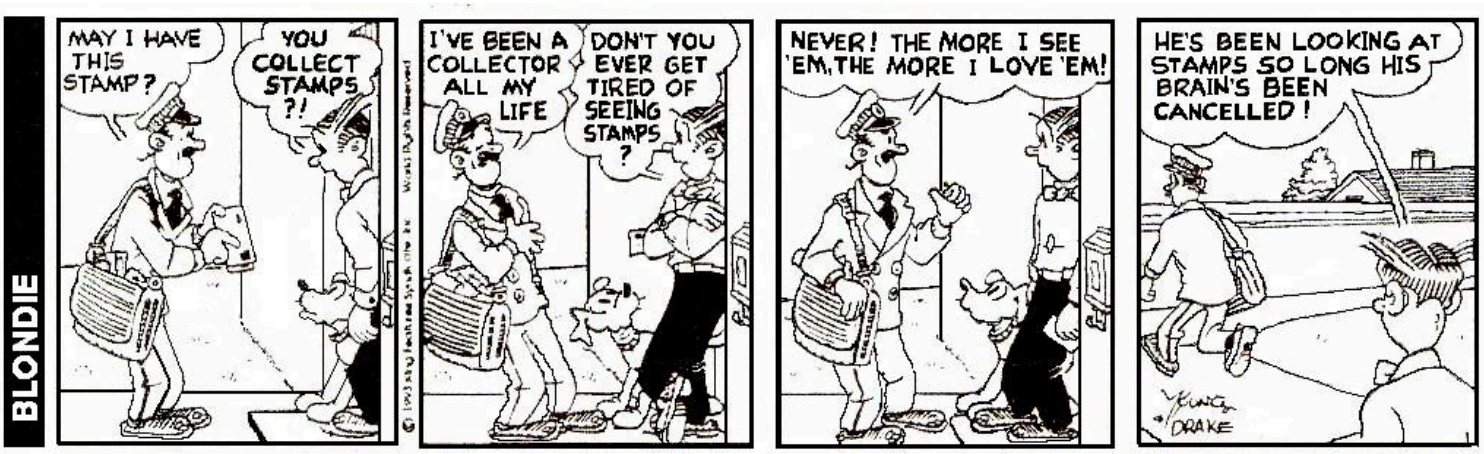
Barnie continued to collect when he was recalled into the service. He became seriously interested in collecting Switzerland and Lichtenstein (because he thought they were pretty). He tried to go worldwide and eventually felt overwhelmed. He started collecting U.S. when he was in Germany. He collected some coins for a while, also.

When he retired in 1976, he had a shop on Hillcrest and Bandera. That shop was some coins, but mostly stamps. Then he and Jim Logan bought Stamp Mart on Burr Road in early 1977. Around 1979, they moved to Broadway and called their shop "Stamps and Stuff". In about January, 1981 they moved to 1201 Austin Highway and called their shop Alamo Heights Stamp Shop. He sold his half to Jim in 1995.

He still goes to the Alamo Heights Stamp Shop every Wednesday and every Saturday that he is in town. However, he attends all the TSDA bourses.

We have been enjoying Barnie's membership in the San Antonio Philatelic Association since 1976. We are fortunate that he brings his lovely wife with him when he comes to meetings and auctions. She is certainly the Class part of his act!!!! You can tell from the picture above, he knows this, too.

Yours in philately, *Pat Richmond*



Thanks to Young & Drake for their wonderful philatelic humor!
