Editors' Corner

Dear Readers,

As always, the end of the year is a busy time for everyone. We all enjoy the festivities, but sometimes the hassle and stress get to be overpowering. We hope you all take some time just to enjoy the company and companionship of your family and friends. Be sure to let them know how much they are appreciated: a smile and a hug can make the holidays happier all around.

Speaking of which, be sure to keep the December 9th Christmas party on your to-do list. Our club will be supplying the turkey and ham, and the drinks. We look forward to tasting the delicious dishes, and desserts that everybody brings. There are a lot of good cooks in our club :-) You will also want to come to the Blue Chip Auction on December 2nd. Check out pages 5 & 6 of this Philatex for a listing of the lots. There will also be unlisted lots that will get put into the auction on auction night. There will be lots of stamps to buy (sorry about the pun).

Christmas - Dec 25 (Scott #4477?)

WE WISH YOU AND YOURS
A JOYOUS AND BLESSED HOLIDAY!

Lea Senghaas & Dora Robert

Hanukkah - Dec 21 (Scott #4482?)

WE WELCOME VISITORS

SAPA is always happy to welcome visitors. We hope you will enjoy our activities and wish to join us as members.

All visitors are welcome to purchase stamps at our auctions, bourses and bag nights. Anyone wishing to sell or trade at our meetings must be a member.

AUCTION ETIQUETTE :

Be sure to get your Bidder's number card before the auction starts. Come early and look over the lots for sale before the auction. During the auction, lots will be identified by their lot number and a brief description of the lot.

When bidding for a lot, please raise your Bidder's Number card and keep it up until you no longer wish to bid. Flipping the card up and down is confusing for the auctioneers.

Please keep extraneous conversation to a minimum. This makes it easier for everyone to hear what the auctioneer is selling, and allows the auctioneer to more easily keep track of the bidding.

Please wait until the end of the auction to pay for your purchases. Your name will be called as the tallys are completed. Those who are only buying will be called first. Buyers who are also sellers will be called next. Checks are acceptable, made out to S.A.P.A.

Sellers with unsold lots should be sure to pick up their lots before leaving.

Please be sure to return the Bidder's Number cards so that we can use them again in the following auctions.

We look forward to meeting you.

PRESIDENT'S MESSAGE

Hi to all,

Look out! It is that time of year again. The time when the inches grow around our waists, and the pounds decline from our wallets and bank accounts. Our first celebration of the season just happens to be Thanksgiving. We give thanks for all we have. We look upon the creatures that were almost our national symbol, and to show our appreciation, we try to eat as many as we can.

But nobody ever informed those birds that they were not rabbits. They breed and breed just so we can consume as much as we want. "Thank you Turkeys," we say.

Then comes Christmas, when we purchase for the family almost all that was on their want list. Do any of them say, "Thank you, Mom or Dad?" No, no, some fat old guy in a red suit and a grey beard gets all the credit. Thanks, Santa!

New Years is fun. Time to eat another big meal, then sit in our favorite chair to watch our favorite college team play their big game. OH, yes... we also have our favorite drink by our side to help us watch. A couple of hours later our spouse wakes us up to inform us that our favorite team has won or lost, and we missed the best game they ever played. OK, maybe next year we might get to watch them again.

Right now, back to our club's events. This time of the year comes around as it has been doing all our lives and then some. We are looking for new blood to fill some of our officers' seats. Feel free to tell Jack you would like to volunteer for one of the positions. We would love to have you. Just think—you, too, could be sitting down and writing one of these notes for our editor to polish.

Until next year I want to wish you a most happy holiday season ever.

John Clay

We wish to extend our sincere condolences to SAPA member Byron Brandt and his family.

Orila Brandt was a loving wife, mother, grandmother, and friend. She will be missed.

BLUE CHIP AUCTION

We will have our Blue Chip Auction on December 2, 2011. You will find the listing of the lots on pages 5-6 of this Philatex. The lots will be on display at the meetings on the 4th & 18th of November. Our auctioneer, Jack Virta, will be accepting mail-in bids and other in-advance bids. Contact Jack at 826-4826, or email him at <virta.jack@gmail.com>.

FROM YOUR MEMBERSHIP CHAIRPERSON:

Dear friends,

Your dues notices are in the mail. They went out Tuesday, October 18th. You should be getting them soon.

No hurry now, but please, please, please send them BEFORE the end of December. It really does save me time, energy, paperwork and money. It also saves you money, because it costs you more if you wait until January.

Also, as a personal favor to me, as I stated in the letter, please do not give your check or cash to another member to turn in. If it gets mislaid or lost, and I am not aware of it, then I will send you a reminder, which adds to the confusion and expense.

I am trying very hard this year to have everything running smoothly and on time. I know you will do your part to help. I appreciate your membership, friendship and cooperation. Have a great month, rest of the year and blessings going into next year.

Most sincerely,

Dora Roberts

SAPA Membership Chairperson

"Sam the Selvage Savage"
By Sam Rodgers
August 19, 2010

Once again Sam wowed us with his collection of selvages. He brought only a few volumes this time, but he reminded us that there are over 14,800 stamps with selvages. His collection contains 38 volumes. I guess his 18-wheeler was out of gas on the night he gave the program.

He told us about the standard rotary press stamps and the electric-eye rotary.

He brought the 2 cent from 1928 as an example of the standard rotary and one from 1932 as an example of the electric-eye. In 1932, the electric-eye dimensions changed slightly.

Sam shared some of his self-made albums with us. He said that there are 31 positions for selvages on most stamps. At right is an example of a page for definitive stamps.⇨

The arrangement is different for different kinds of stamps. At left is an example for a ⇦commemorative size stamp.

Sam said that the new self-stick stamps pose a whole new problem with selvages. He has to reconstruct the stamp booklets themselves. Good Luck on that, Sam!

He says his next adventure will be with "chads" and "Postage Due" with rubber mats. Where else, Sam?

We were truly entertained and informed. Thanks, Sam. We will be looking forward to another of your "orphan" collections in the future.

Yours in philately, Pat Richmond
