Editor's Corner

Nelda and Harry Greer and their son Arlen hosted our annual SAPA Christmas Party at their lovely home on December 12, 2014. As always, their home was beautifully decorated to suit the season.

We started off the evening making ornaments for Nelda's Friends and Family tree. Nelda had interesting scraps of things, and art supplies for people to get creative with.

Arranging the food on the island in Nelda's kitchen was also fun, with the wonderful smells pleasing everyone's noses. Even the desserts smelled heavenly, especially the chocolate brownies! Soon we were all gathered around while Brother Ed Loch gave thanks for family, friends and the feast we were about to eat. Of course, everyone enjoyed the meal, and especially the company of friends. After eating, the Greers handed out party poppers filled with interesting small gifts. There were also paper crowns in a few of them. It was a lovely traditional activity.

We finished the evening with playing "Who Was That?", which Pat Richmond creates from photos from the previous Christmas party. She's very tricky, and it was an interesting game of looking at the photos, and then figuring which parts of people she had enlarged, reversed, or turned upside down. The winner got a small gift certificate at the Animal Defense League's Thrift Shop.

All of the wonderful pictures on pages 5 & 6 were taken by Dora's daughter, Brittany Roberts. She is a talented photographer, and produces her work under the name "BMR Pictures".

WE WELCOME VISITORS

SAPA is always happy to welcome visitors. We hope you will enjoy our activities and wish to join us as members.

All visitors are welcome to purchase stamps at our auctions, bourses and bag nights. Anyone wishing to sell or trade at our meetings must be a member.

AUCTION ETIQUETTE :

Be sure to get your Bidder's number card before the auction starts. Come early and look over the lots for sale before the auction. During the auction, lots will be identified by their lot number and a brief description of the lot.

When bidding for a lot, please raise your Bidder's Number card and keep it up until you no longer wish to bid. Flipping the card up and down is confusing for the auctioneers.

Please keep extraneous conversation to a minimum. This makes it easier for everyone to hear what the auctioneer is selling, and allows the auctioneer to more easily keep track of the bidding.

While your purchases will be given to you during the auction, please wait until the end of the auction to pay for them. Your name will be called as the tallys are completed. Those who are only buying will be called first. Buyers who are also sellers will be called next. Checks made out to S.A.P.A. are acceptable. Sellers with unsold lots should be sure to pick up their lots before leaving.

Please be sure to return the Bidder's Number cards so that we can use them again in the following auctions.

We look forward to meeting you.

President's Message

Well another year is completed. For me 2014 was a busy year. I spent most of the year as a consultant on a construction project at Fort Sam Houston. I also did some traveling that I had put off until I was fully retired. As a result I did not work on my collection as much as I would have liked. I also missed the big stamp shows in Dallas and Houston. I plan to do more in 2015. I was working on my Linn's popularity poll the other night. I liked the Circus Posters for best design but also think it belongs in the least necessary due to the problem with the souvenir sheet only being available with the $64.95 year book. This seems to be a continuing pattern of the postal service to screw over stamp collectors. It will be interesting to see what they come up with in 2015.

FINAL NOTICE: DUES ARE DUE!

Greetings, and a very Happy New Year to all my fellow Philatex friends.

Just a reminder to those members still owing dues—please send it right away so it will be processed in a timely manner. For those who have sent theirs in already, many thanks.

Also, I would like to extend a very special thanks to all members who went over and above board with extra gifts, both large and small. No matter how much was given, it is all welcome and appreciated.

Thanks again, and have a safe, healthy and happy 2015.

Sincerely, *Dora L. Roberts*

Feb 20 - "President James A Garfield" By Dr. Eric Shepherd Well, well, well, here we are with Dr. Eric again. When he told me about his program, he was very mysterious !!! "Current U.S.Postage"

By

Fred Groth

October 24, 2014

Well, Fred did not disappoint us on Friday the 24th. In fact, those of us who still use "Snail Mail" (I for one) were dumbfounded by the breadth and depth of the current postage possibilities.

Fred divided his program into three parts: 1) Packages, 2) Letters and 3) Private postage authorized by USPS.

Among the first category of packages, Fred showed quite a few of the items that the Priority Mail that have indicators in upper right for billing purposes. There were some computer items that were "Click-N-Ship". Parcel Select Labels are selected, approved and used by Airborne Express: DHL; /Surepost (UPS).

In the letter category, there is such a plethora of possibilities it is difficult to see how anyone could decide—just to mail a letter. Some of the categories are DATA-PAC and RMX, PC mailing services, FIS Output Solutions (FOS) and Accelerated Reply Mail (ARM). It is almost as if you have to speak a foreign language to make a decision to mail a letter.

Last but not least we have Private Postage Authorized by USPS. Fred had samples of private companies' stamps as they were used on Water Board Envelopes. If you want to visit these sites you might create unique, customized, unforgettable stamps for any occasion from holidays to birth announcements: Zazzle.com, Endecia. com and Stamps.com.

Fred, you dazzled us again with you collection. You provided us with a myriad of examples and the opportunity for us to "plunge head long into the breach". Thanks Fred for a very interesting and educational program.

GOOD LUCK FOLKS!!!

Patricia Richmond
