Editor's Corner

Here's a look at seven things you may not have known about daylight saving time.

1) "Spring forward and fall back" is an easy way to remember how to set the clock when daylight saving times begins and ends. You set your clock forward one hour at 2 a.m. on March 11. You'll set it back one hour at 2 a.m. on Nov. 4.

2) In the United States, daylight saving time began on March 21, 1918. U.S. government officials reasoned that fuel could be saved by reducing the need for lighting in the home.

3) Ancient agrarian civilizations used a form of daylight saving time, adjusting their timekeeping depending on the sun's activity.

4) Many people call it daylight savings time. The official name is daylight saving time. No 's' on 'saving.'

5) Benjamin Franklin came up with an idea to reset clocks in the summer months as a way to conserve energy.

6) A standardized system of beginning and ending daylight saving time came in 1966 when the Uniform Time Act became law. While it was a federal act, states were granted the power to decide if they wanted to remain on standard time year-round.

7) Arizona (except for the Navajo, who do observe daylight saving time on tribal lands), Hawaii, American Samoa, Guam, the Northern Mariana Islands, Puerto Rico and the United States Virgin Islands do not observe daylight saving time.

WE WELCOME VISITORS

SAPA is always happy to welcome visitors. We hope you will enjoy our activities and wish to join us as members.

All visitors are welcome to purchase stamps at our auctions, bourses and bag nights. Anyone wishing to sell or trade at our meetings must be a member.

AUCTION ETIQUETTE :

Be sure to get your Bidder's number card before the auction starts. Come early and look over the lots for sale before the auction. During the auction, lots will be identified by their lot number and a brief description of the lot.

When bidding for a lot, please raise your Bidder's Number card and keep it up until you no longer wish to bid. Flipping the card up and down is confusing for the auctioneers.

Please keep extraneous conversation to a minimum. This makes it easier for everyone to hear what the auctioneer is selling, and allows the auctioneer to more easily keep track of the bidding.

While your purchases will be given to you during the auction, please wait until the end of the auction to pay for them. Your name will be called as the tallys are completed. Those who are only buying will be called first. Buyers who are also sellers will be called next. Checks made out to S.A.P.A. are acceptable. Sellers with unsold lots should be sure to pick up their lots before leaving.

Please be sure to return the Bidder's Number cards so that we can use them again in the following auctions.

We look forward to meeting you.

President's Message

It looks like winter in South Texas is finally coming to an end. I spent the last week, during the rainy days, working on my collections. A good time to mount stamps and covers in the albums, update want lists and plan what stamp shows to attend this year. With the loss of the spring TEXPEX show this year we are left with the TSDA sales in Dallas, Houston and San Antonio. The closest major shows are GULFPEX in Biloxi, MS (April 21-22) and OKPEX in Midwest City, OK (June 29-30). For the last three months I have been driving to Austin to attend the Austin Texas Stamp Club auction. It is held at the South Austin Senior Center, 3911 Manchaca Rd on the third Tuesday of the month. If you join their club, the monthly newsletter has a list of the upcoming lots for that month. And last, be sure to support our three local stamp stores with your business.

PROGRAM NOTES

Mar 16 - *"Somalia on Stamps"* by Chip Swinney Chip tells me that he has chosen Somalia because they have been occupied so many times and by so many countries. The stamps of Somalia promise to be entertaining and very educational.

"Chip" has always given us an interesting program in the past especially with his collection of cards.

Since "Chip" is a high school History and Geography teacher, I for one am looking forward to his presentation.

O.K., "Chip", the stage is all yours. We are anxious to hear you!!!

Feb16 - *"A Philatelic Quiz"* by Tony Bir Well, well, well, we finally have another program by Tony!!! Some of you might remember his last Philatelic Quiz!!! Part I was advanced and Part II was for beginners!!! The only thing that "saved" me is that I got to grade my own paper!!!(Wait, did I just say that out loud?)

Anyway, Tony tells me that he is going to have good prizes!!! I can hardly wait!!!

We're all studying hard so that we can win some good prizes!!! (Do you really think I have a chance?) Oh, well, I guess I'll get some points for trying!!!

Yours in Philately,
Pat Richmond

CLOSED ALBUMS

Charles Shelby, 1926-2018, joined SAPA in 1991, member #2557. He collected many different things, among them Souvenir Sheets and Occupation stamps, and enjoyed going through the circulation books looking for goodies. He loved to share information about stamps he was interested in. He will be missed by all of his friends and family.

On Jan 8, 2018, Charlie's daughters wrote to Dora Roberts, our Membership Chairman, to tell her about his death. It is a loving memorial for a special father.

Dear Mrs. Roberts,

On January 1st of 2018, my father, Charles Shelby, passed away of cancer. He was an avid stamp collector and very active in the Fricay night stamp club. My dad especially loved "Auction Night".

He has requested no fanfare on his behalf, so there will be no services or funeral; and in lieu of flowers members could make a donation to the stamp club in his name.

Thank you for making my father happy.

Cathy Gonzalez & Carol Williams (daughters)

Fred Groth, our Treasurer (see pg 6), asked me to put in a thank you to all our members who have made memorial contributions in Charlie's and Bob Joyce's names. The money has been put in our catalog fund.

"Double-Wedding Ring Quilt" Winner

Pictured at left is the winner of the quilt, Mary Rupard, being presented the quilt by the Quilter's Guild of MacArthur Lutheran Church. The Mac Arthur Lutheran School netted $5,611.10. A great portion of the tickets and money were contributed by the San Antonio Philatelic Association!!!!! Thanks for all your support, Pat Richmond.

Yours in Philately, Pat Richmond

A Letter from Your Membership Chair

First of all, I would like to thank all of you who paid your dues early or on time. This really helps me tremendously. There were only a few that were late and let me know. I really appreciate your response.

Next, I would like to extend my personal condolences to the families of all of our members who passed on last year. They will be truely missed.

There were two that I would like to highlight.

1) Charles Shelby, who always used the #1 bidder card at auction. Auctions will never be the same without you. We decided to retire his #1 card and remove it from circulation in his honor. Charles was not one for fanfare and fuss - just a lot of fun to be around. His two daughters requested that instead of flowers, funeral services and such, if people wanted to do something, then they could make a donation of their choosing to SAPA in his honor and memory.

2) Bob Joyce, who was one of our best friends and a life member of SAPA, always used bidder card #7. So it was suggested that we retire #7 as well. We will miss you for sure, Bob.

We are looking forward to another great year in SAPA, and hope you will also be looking into the future with anticipation.

Yours truly,

Dora L. Roberts
