EDITOR'S CORNER

We have recieved information that the church will continue to be closed for July and August because of the current spike in virus cases, not just in Texas, but here in Bexar County. We hope all our members are keeping safe, and do wear masks... they *do* help. We hope to learn, when this is over, that all our members have survived, and are still collecting. We look forward to future meetings.

FRED'S CORNER

Found this in the 29 June APS Newsletter: Free Access to APRL Digital Continues! Due once again to the overwhelming demand and use over the last two months, the APRL has decided to extend further free access to the library's online digital collections database, APRL Digital. Members and non-members can continue to enjoy free access until the end of July 2020. Instructions for access can be found on the library page of the APS website.

Pat Richmond Says:

Jim Kitchen was recently in the hospital for some surgery. He only stayed overnight and is home recuperating. We send him our Best Wishes, and hope he gets well soon. Pat also sends all members a wish that they remain safe and take all precautions.

ARTICLE ABOUT SA&ST POSTCARD CLUB

Written for July 2020 edition of The Philatex

Like just about everything else, the San Antonio & South Texas Postcard Club has been unable to meet because of the restrictions imposed by the COVID-19 pandemic. Until the restaurants are able to reopen to their full capacity, we will not be holding any meetings. If you would like any information about the San Antonio & South Texas Postcard Club, please contact the club secretary, Nancy Mabie at NRMabie@gmail.com.

Bag Nite Bags are Available!

You might recall that last year we purchased two large boxes of assorted stamps from APS for the price of postage, and we then distributed the stamps into small bags for our SAPA Bag Nites. Due to circumstances, we have since had only one Bag Nite, but a few members asked if they could take some bags home on the honor system, and that has worked well. To date, we have raised $85.05. And no bags have gone missing!! Although we will not be holding meetings for the foreseeable future, you can, if you would like, take some bags home for an exciting night of stamp collecting. Most of our bags have only been searched by one person, so there is still a good chance to make a good find. If you would like to purchase some bags, just call Nancy or Steve at (210) 490-9997 to make arrangements. Those that have been previously searched by one person are available on a first come first served basis for $3.00 each. The 3 bags which have been searched by more than one person are only $1.00 each. The 5 bags which have never been searched are available for $10.00 each.
