MEETING CALENDAR 2020

"All meetings are cancelled through April. Because of the Covid 19 situation, the church has closed, and there will be no meetings until further notice."

Dear Members,

We are putting out this special edition of the Philatex to let you know the latest information on our meeting schedule for the for-seeable future. "For-seeable" is the operative word here. Because things are changing so fast, we cannot predict when things will get back to "normal".

One thing we would like to do is keep in touch as much as possible. I would like members to send in to me or Lea a short statement on how you are doing and coping with the COVID-19 crisis. We will put these together in a future Update Philitex Edition, to let everyone know how the club members are doing.

We will get through this, so stay safe and follow the CDC guidelines on slowing the spread of this pandemic.

SAPA Members:

Yesterday we were informed by MacArthur Park Church that in accordance with the Mayor's Emergency Order #5, it is closing its office until 5 April (Palm Sunday). We note that the Mayor's order is effective through Thursday, 9 April, thus affecting SAPA at least until then.

To simplify the SAPA calendar, our meetings through the month of April are cancelled. We will address a new meeting schedule when we have clear information.

As we all adjust to this new reality, you are encouraged to continue your philatelic interests. Besides the obvious task of working on your collection, remember there are websites to help you with your collection, provide philatelic information, and even provide philatelic entertainment.

1. The APS Website (https://stamps.org). While the site is for members, it also has areas available to non-members., such as a schedule of shows and which are cancelled.

2. Under 30 Membership -- Beginning April 1, 2020, the APS will begin accepting applications for a new Digital Only membership for collectors under 30. The annual cost to join is $25 and will provide digital access to The American Philatelist and all the other great services we provide. Now is a great time to introduce a young collector to the APS and encourage them to grow in the hobby. More information can be found on our website.

3. The National Postal Museum (https://postalmuseum.si.edu) has much material available online and is adding more.

I ask all of you to review the addressee list on this email to review its completeness. If you know a member who has email and is NOT on this list, please let me know and I will add him. Concurrently, if you know a member who is not an email user, please notify him of the cancellations.

All of you take care!

Dear Friends,

Just wanted to let you know I'm thinking of you. I hope you and your families are all safe and being careful. I miss coming to club meetings, and am looking forward to see you when we are through this danger. If you need to get in touch with me, my email is dora.roberts@hot.mail.com . I am always happy to hear from you.

DORA ROBERTS, Membership Chair April 2020

Important Notice: The Philatex for May/June will be late due to the Covid19 problems. We have no way of knowing at the moment when the Church will be re-opened for our meetings. We will keep in contact with you, and will have a message on our website when we know. Please keep safe. Philately is a great hobby to have in these times. You can do a lot of things with your stamps that you may not have had time to do before. ☺☺☺
