EDITOR'S CORNER

As of this writing there is no notice that the church will be open soon. However, we keep hoping for things to improve to the point that we will once again be able to have our meetings safely. When we get told that we can hold our meetings, there will be a special edition sent to all of our members, and it will be placed prominently on our web site.

LEA SENGHAAS & DORA ROBERTS

Fred's Corner- Philatelic Publications Offer!

I have the following pubs gathering dust and offer them to a good home:

- American Philatelist (SAPA copies), Issues for April through December 2020.
- Linn's Stamp News (my copies) , Monthly issues for May through November 2020.

Email me what you want, and we will arrange a time when you can come by the Towers, and I will drop them in your car. You will not have to enter our building. If there is no interest in these pubs, they will go in the recycle bin.

==========

The American Association of Philatelic Exhibits has a website on which they display stamp show exhibits (surprise!). Their URL is www.aape.org

There are plenty of exhibits that you can study to your heart's content. The front page will have an "Exhibit of the Week." Go down the directory on the left side and "Exhibiting" will lead you to exhibits on line. The entry "Links" will lead you to even more. A worthwhile site.

==========

As for future meetings of SAPA…it will be a while. The latest Pat, our Secretary, has heard is that there is NOTHING in the works at the church. The current large increases in Covid-related numbers in San Antonio and Bexar County have ended any such thoughts for now. Let's hope 2021 looks better.

WE WELCOME VISITORS

Please view our website **sastamps.org** for information on our meeting schedules

SAPA is always happy to welcome visitors. We hope you will enjoy our activities and wish to join us as members.

All visitors are welcome to purchase stamps at our auctions, bourses and bag nights. Anyone wishing to sell or trade at our meetings must be a member.

AUCTION ETIQUETTE :

Be sure to get your Bidder's number card before the auction starts. Come early and look over the lots for sale before the auction. During the auction, lots will be identified by their lot number and a brief description of the lot.

When bidding for a lot, please raise your Bidder's Number card and keep it up until you no longer wish to bid. Flipping the card up and down is confusing for the auctioneers.

Please keep extraneous conversation to a minimum. This makes it easier for everyone to hear what the auctioneer is selling, and allows the auctioneer to more easily keep track of the bidding.

While your purchases will be given to you during the auction, please wait until the end of the auction to pay for them. Your name will be called as the tallys are completed. Those who are only buying will be called first. Buyers who are also sellers will be called next. Checks made out to S.A.P.A. are acceptable. Sellers with unsold lots should be sure to pick up their lots before leaving.

Please be sure to return the Bidder's Number cards so that we can use them again in the following auctions.

We look forward to meeting you.

President's Message

It looks like the pandemic will be with us for more months to come. It's too cold to go camping in the RV and I don't feel comfortable traveling. There will also be no get together for Christmas or New Years. I am currently keeping busy at home by binge-watching old TV programs I have purchased on Amazon. I have watched all nine seasons of the British comedy "Doc Martin. I just finishing all 129 episodes of the British Crime program "Midsommer Murders". Watching old series like this is great. No commercials to interrupt the flow and you can pause the show at any time necessary if needed. Thanks to Amazon, I should be able to keep this up for another six months if needed. In between episodes, I can work on my stamp collection, read, do yard work or anything else I need to do. This has been my way of coping with the necessity of not getting together for club meetings or with my friends. Hopefully you too can come up with your own way to cope with this pandemic. For now stay safe, wear a mask, wash your hands and practice social distancing to help prevent the spread of the virus and protect yourself. *Dr. Eric Shepherd*

A Message from Bob Bovier

I have just received auction catalogues from Corinphila in Switzerland. They are for the sales to be held between 25 to 30 January 2021. I can't use them but perhaps you know somebody who would be interested in one or more of them. They are:

Auction 261, Stamp Issuing Steamship Companies, The Gregory Frantz Collection, 390 lots. Hard cover with dust jacket.

Auction 263, Deutsch-Französischer Krieg [Franco-Prussian War), 542 lots. Soft cover.

Auction 264, Schweiz Fürstentum Liechtenstein, over 1200 lots. Hardcover with dust jacket.

Schweiz, The Erivan Collection, 42 lots. Hardcover.

Let me know soon if you or members of your clubs want one or more of them.
