?	NO MEETING		?	NO MEETING	

As of this writing there is no notice that the church will be open soon. However, we keep hoping for things to improve to the point that we will once again be able to have our meetings safely. When we get told that we can hold our meetings, there will be a special edition sent to all of our members, and it will be placed prominently on our web site.

Sunday, April 4 - Happy Easter

EDITOR'S CORNER

New Stamps for March & April

March 9, Colorado Hairstreak Butterfly. (75¢) nonmachineable-surcharge rate definitive stamp, pane of 20. The Colorado hairstreak graces the eighth nonmachinable butterfly stamp for use on irregularly sized envelopes, such as square greeting cards, invitations or announcements. The stamp art is a highly stylized, simplified image of a Colorado hairstreak (Hypaurotis crysalus).

April 9, Espresso Drinks Forever Stamps PSA booklet of 20. America's love of coffee is celebrated with four new stamps in a booklet of 20. Four digital illustrations feature cups of four different drinks: caffe latte, espresso, caffe mocha and cappuccino. The names of the espresso drinks appear in art-deco-inspired lettering above or below each cup. Art director Greg Breeding designed the stamps with original artwork by Terry Allen.

WE WELCOME VISITORS

Please view our website **sastamps.org** for information on our meeting schedules

SAPA is always happy to welcome visitors. We hope you will enjoy our activities and wish to join us as members.

All visitors are welcome to purchase stamps at our auctions, bourses and bag nights. Anyone wishing to sell or trade at our meetings must be a member.

AUCTION ETIQUETTE :

Be sure to get your Bidder's number card before the auction starts. Come early and look over the lots for sale before the auction. During the auction, lots will be identified by their lot number and a brief description of the lot.

When bidding for a lot, please raise your Bidder's Number card and keep it up until you no longer wish to bid. Flipping the card up and down is confusing for the auctioneers.

Please keep extraneous conversation to a minimum. This makes it easier for everyone to hear what the auctioneer is selling, and allows the auctioneer to more easily keep track of the bidding.

While your purchases will be given to you during the auction, please wait until the end of the auction to pay for them. Your name will be called as the tallys are completed. Those who are only buying will be called first. Buyers who are also sellers will be called next. Checks made out to S.A.P.A. are acceptable. Sellers with unsold lots should be sure to pick up their lots before leaving.

Please be sure to return the Bidder's Number cards so that we can use them again in the following auctions.

We look forward to meeting you.

President's Message

What a difference a year makes. I went back and looked up some of my presidents messages for our club and others that I put out last year, at this time. We were hoping then, that the pandemic would be under control by summer and by the fall of 2020 we would be back to normal. We now know that was just wishful thinking. I am now a realist and know that the experts are right. Even with the vaccine coming on board, the pandemic is going to last the rest of 2021. All we can do for our club is try to adapt to this new reality. If we have any meetings in the next six months, they will be remotely by ZOOM or some other means. You can still work on your collections, go to the local stamp shops and support their business and buy stamps on-line. For now stay safe, wear your mask in public and get your vaccine as soon as you can.

Fred's Corner

Reminder that the Smithsonian's National Postal Museum (URL: postalmuseum.si.edu) has all sorts of areas worth browsing, whether for fun or study. Examples:

1. Topical Reference Pages for Literary Arts, Military, Nature and the Environment, and Science and Technology.

2. US classics philatelic collection with thousands of high-resolution images.

You can also search the entire collection via keyword search, or search by criteria (topic, type, date, etc).

Don't forget this valuable (and free) reference tool.

==========

I personally receive a weekly email APS Newsletter. While the vast majority of news is obviously for APS members, there may be some items that can be accessed by non-members. If anyone is interested in the APS, or its Newsletter, send me an email, and I will forward you the latest edition.

A MESSAGE FROM THE MEMBERSHIP CHAIR

I hope all of our club members have survived the week of cold, snow, and the power and water outages, and are enjoying the warmer weather. Please remember that the virus is not gone yet, and keep yourselves safe. Get your vaccinations as soon as you get a chance. We want all our members to be at our meetings when we can finally hold them again.

I also want to thank all of you who have paid your dues. This helps me keep accurate records for our club. It also helps Fred keep track of our club's finances.

Dora Roberts, **Membership Chair**
