PRESIDENTS MESSAGE

Our first in-person meeting on June 25 went very well. Decisions were made on a number of topics. The first dealt with dues for the period in 2020 and 2021 when the club did not meet. The following was proposed and voted on by the members attending. If a member paid their dues in either 2020 or 2021, then dues for 2022 would be optional. If a member did not pay their dues for both 2020 and 2021, then they would need to pay dues for 2022 to keep their membership current. The club will go back to our regular dues requirement in 2023.

The club decided on our meeting schedule for the rest of the year. It was decided to publish the whole schedule for the remaining months of 2021 in this newsletter, so members can make plans for the rest of the year. Our next meeting in July will be an auction meeting. The auction will follow our regular format with the following modification. For those members who are vaccinated, masks will be optional. For those members who are not vaccinated, the club requests that they wear a mask. Since this is our first auction in over a year and we expect a large turnout, members bringing in lots will be limited to a maximum of 15 lots.

Normally the club would have voted for officers and board members on the fall of 2020. The current officers and board members have been asked to stay until the end of 2021. A nominating committee will propose a slate of officers in October 2021 to be voted on in December 2021, to serve in 2022.

This pandemic has been a trying time for all of us. The goal of our club is to get back to in-person meetings as safely as possible. I hope to see all of you soon.

Dr. Eric Shepherd

WE WELCOME VISITORS

Please view our website **sastamps.org** for information on our meeting schedules

SAPA is always happy to welcome visitors. We hope you will enjoy our activities and wish to join us as members.

All visitors are welcome to purchase stamps at our auctions, bourses and bag nights. Anyone wishing to sell or trade at our meetings must be a member.

AUCTION ETIQUETTE :

Be sure to get your Bidder's number card before the auction starts. Come early and look over the lots for sale before the auction. During the auction, lots will be identified by their lot number and a brief description of the lot.

When bidding for a lot, please raise your Bidder's Number card and keep it up until you no longer wish to bid. Flipping the card up and down is confusing for the auctioneers.

Please keep extraneous conversation to a minimum. This makes it easier for everyone to hear what the auctioneer is selling, and allows the auctioneer to more easily keep track of the bidding.

While your purchases will be given to you during the auction, please wait until the end of the auction to pay for them. Your name will be called as the tallys are completed. Those who are only buying will be called first. Buyers who are also sellers will be called next. Checks made out to S.A.P.A. are acceptable. Sellers with unsold lots should be sure to pick up their lots before leaving.

Please be sure to return the Bidder's Number cards so that we can use them again in the following auctions.

We look forward to meeting you.

Postcard Club News

The San Antonio & South Texas Postcard Club meets on the third Monday of each month. Our meetings take place at the San Antonio Genealogical & Historical Society's Dwyer Center located at 903 Melissa Drive (at the corner of Blanco Road and Melissa - located about a mile outside Loop 410).

We begin gathering about 6:30 pm with our meeting starting at 7:00 pm.

Our next meeting is scheduled for Monday, July 19, and the August meeting will be on Monday, Aug 16th.

If you have any questions, contact Nancy Mabie at NRMabie@gmail.com.

Fred's Corner

Wearing my Treasurer's hat, I have nothing to report. We are doing OK financially, but as you all know who have CDs, the interest rate on them is in the pits. We will be starting to pay rent to the church for our meetings again, and I believe postage rates will be going up in August. That is all a long way of asking you to support the club with your participation in the upcoming auctions.

Wearing my Historian's hat: I make my occasional plea to all of you – especially you long time members – to review your philatelic "stuff" for anything touching on our club's history. "Stuff" includes programs, newspaper clippings, letters, anything in paper format that reflects SAPA's activities. Let me know if you have something SAPA-related that should be preserved. This all goes to the philatelic archives at the University of Texas Dallas.

Treasurer/Historian
