EDITOR'S CORNER

The first Christmas stamp is the 1898 Canada two-cent with the Mercator map. At the time, stamp designs for the colonial countries had to be approved by Queen Victoria. The story goes that a post office official suggested the new stamp could serve as a tribute to the prince. Queen Victoria is said to have replied "Which prince?" and the official quickly said "Why, madam, the Prince of Peace," referring, of course, to the Christ child. As a result, the stamp when it was officially released on December 7, 1898, bore, not only Mercator's map, but also the words "XMAS 1898". It now ranks as the first Christmas stamp in the world.

Other countries were slow to issue specifically-designed Christmas stamps. The next nation with Christmas stamps was Austria in 1937 with two stamps referred to in the Stanley Gibbons catalogue as *Christmas Greeting Stamps.* The stamps feature a rose and zodiac signs. Brazil issued four semi-charity stamps in 1939 depicting the three Kings and the star, an angel and child, a southern cross and child, and mother and child. Hungary gets next in line with a *Soldier's Christmas* semi-postal depicting a soldier and emblem (1941), followed in 1943 by a set of 3 stamps showing the shepherds, nativity, and Magi.

It would be 10 years before Cuba issued its two-stamp set of *Poinsettia* and *Bells.* Haiti followed in 1954 with two stamps - *Fort Nativity* and *Star of Bethlehem.* As the 1950s progressed, Luxembourg and Spain produced Christmas stamps in 1955 while Liechtenstein, Korea and Australia started what has become a fashion with Christmas issues in 1957.

The United States got on the roll in 1962 with its four-cent *Wreath and Candles* stamp, a tradition with the U.S. post office that has not been broken since. Today, the USPS issues several Christmas stamps each season.

WE WELCOME VISITORS

Please view our website **sastamps.org** for information on our meeting schedules

SAPA is always happy to welcome visitors. We hope you will enjoy our activities and wish to join us as members.

All visitors are welcome to purchase stamps at our auctions, bourses and bag nights. Anyone wishing to sell or trade at our meetings must be a member.

AUCTION ETIQUETTE :

Be sure to get your Bidder's number card before the auction starts. Come early and look over the lots for sale before the auction. During the auction, lots will be identified by their lot number and a brief description of the lot.

When bidding for a lot, please raise your Bidder's Number card and keep it up until you no longer wish to bid. Flipping the card up and down is confusing for the auctioneers.

Please keep extraneous conversation to a minimum. This makes it easier for everyone to hear what the auctioneer is selling, and allows the auctioneer to more easily keep track of the bidding.

While your purchases will be given to you during the auction, please wait until the end of the auction to pay for them. Your name will be called as the tallys are completed. Those who are only buying will be called first. Buyers who are also sellers will be called next. Checks made out to S.A.P.A. are acceptable. Sellers with unsold lots should be sure to pick up their lots before leaving.

Please be sure to return the Bidder's Number cards so that we can use them again in the following auctions.

We look forward to meeting you.

President's Message

Dear Members,

It's been a long road with the pandemic but with the vaccines for adults and kids it is beginning to look like there is a light at the end of the pandemic tunnel. I am happy to hear that the club will be able to get back to meeting at the church. It sounds like the planning for the blue chip auction and Christmas Party is going well. I would like to be able to attend the meetings and attend the Christmas Party but cannot.

Right now I am in a sort of holding pattern on my cancer treatment until I get most of my strength back from the adverse reaction to treatment number one. My physical therapist says that you lose 10 percent of your muscle mass for every day you lay in a hospital bed. It true. I now have to slowly build that muscle mass back. I have finished the radiation treatment for the satellite tumor in my brain and should get some preliminary results back next week. For now I'm just keeping myself busy doing little projects around the house. I look forward to seeing you soon.

Dr. Eric Shepherd

To the San Antonio Philatelic Association,

We recently received correspondence from the American Philatelic Society. Tommy Beer is being recognized as being a lifetime member of 50 years in APS. He is being presented a 50-year medallion in honor of this achievement.

Tommy will not be able to attend in person to accept this award due to poor health, nor will I on his behalf.

Tommy and his brother Jim were very avid collectors for many years and enjoyed sharing their interest in collecting with others. Jim had a reknowned collection of US and Zeppelins that he often displayed. Tommy collected US plate numbered blocks and United Nations. He taught me about collecting and helped me start a Federal Duck and Christmas Seal collection.

This is an accomplishment that he and I are very proud of, and I know that his many friends a SAPA would want to be made aware of his achievement.

Once he receives the medallion, I will bring it to a club meeting for y'all to see. Most Sincerely, *Kathy Beer*

FELLOW MEMBERS:

THIS IS "HEADS UP" NOTICE AS DETAILS ARE FEW RIGHT NOW.

Very recently the club received a donation of a local gentleman's entire stamp collection. John Maurice Oppenheimer was a junior member of SAPA (#0297J). He was 10 years old and joined 27 Feb 1953. His mother, Mrs Herbert Oppenheimer was a member of SAPA (#0321), joining on 31 July 1953. Both mother and son were listed on a 1957 roster. His donation is much appreciated.

Fellow members Steve and Nancy Mabie are now the caretakers of the collection described below. They have made some cursory observations: - There are 15 "International" albums. The set ranges roughly from 1900 to the 1960s. Each volume covers a number of years and contains all countries, alphabetically. Stamps are about half mint and half used. All are hinged to the pages. - There are separate albums for Israel and Switzerland. - "Other" material is loose, on and off paper.

The 15 albums, plus the 2 separate ones, will be included as 17 donation lots in the Blue Chip Auction. Opening bids will be $20 for each album.

We expect to provide details on these albums in November. Due to time constraints, this will be only by email. Please pass this message on to any friends who are not on the club email list.
