EDITOR'S CORNER - PRESIDENT'S MESSAGE

Dear Members, So I am now president of SAPA. I feel a little inadequate in a couple of ways. Dr. Eric Shepherd ran the club in such a professional manner. Fred Groth told Pat Richmond at the Christmas party that "we had thrown Robert's Rules of Order out the window." Dr. Shepherd's role will be difficult fill as well as he did. It seems like he has been president of the club forever. He did a fine job and I thank him. I wish him the best of health possible under his difficult circumstances. He is a true collector and willing to take leadership roles in other organizations as well as ours. I am hoping to see him again at our meetings. We all owe him a big thank you. Also, in attendance, I promise to get there early and get the place "open for business." I no longer have to haul a mascot to high school football games on Friday night. It is often difficult to beat Lea Senghaas and the Virtas to be the first one there, and I may not do that every time. There are several good people that make the club work in ways that most members don't notice.

I love our hobby. My grandmother got me on stamps when I was in second grade. I may be a bad example though; I buy a lot of stamps and am always behind in getting them organized in albums. I double buy because I can't remember if I have that one or not.

I also realize that SAPA is a social club, with many members that have been close friends for a long time. We have been missing a lot of people who used to be regulars. I am hoping that the coming year will be a time of coming together again. I am wishing that "Ya'll will come on back." Staying socially engaged is good for your mental health and general well-being. We had a beautiful Christmas party and it would be nice to have the summer party as well attended as it used to be. *Chip Swinney* wswinneyjr@satx.rr.com *Jan. 2022* phone 210-542 5448

WE WELCOME VISITORS

Please view our website **sastamps.org** for information on our meeting schedules

SAPA is always happy to welcome visitors. We hope you will enjoy our activities and wish to join us as members.

All visitors are welcome to purchase stamps at our auctions, bourses and bag nights. Anyone wishing to sell or trade at our meetings must be a member.

AUCTION ETIQUETTE :

Be sure to get your Bidder's number card before the auction starts. Come early and look over the lots for sale before the auction. During the auction, lots will be identified by their lot number and a brief description of the lot.

When bidding for a lot, please raise your Bidder's Number card and keep it up until you no longer wish to bid. Flipping the card up and down is confusing for the auctioneers.

Please keep extraneous conversation to a minimum. This makes it easier for everyone to hear what the auctioneer is selling, and allows the auctioneer to more easily keep track of the bidding.

While your purchases will be given to you during the auction, please wait until the end of the auction to pay for them. Your name will be called as the tallys are completed. Those who are only buying will be called first. Buyers who are also sellers will be called next. Checks made out to S.A.P.A. are acceptable. Sellers with unsold lots should be sure to pick up their lots before leaving.

Please be sure to return the Bidder's Number cards so that we can use them again in the following auctions.

We look forward to meeting you.

Thank you from your Membership Chair

Things have been tough for a while, but we are tougher. We are resilient and strong, and will push on.

I want to thank all members who so generously donated to the club for paid dues, or in any other way supported our club. As we move on into the next year, my prayers are for good health and prosperity for all.

Thank you again for everything.

Dora Roberts, Membership Chair

Program Notes

January 21 - "National Airmail Week of 1938" by Howard Wallace Howard tells me that his program is about the 20th Anniversary of airmail of the United States. That week was May 15-21st of 1938. Howard came to me about four years ago with this idea for a program. It sounds very interesting. I know we have many airmail enthusiasts in the club and my guess is that this program will be rewarding and informative.

Well, Howard, amaze us!!!!! Show us what you got!! You also told me that you have lots of covers to show!! I personally am looking forward to this program since I was born in 1936. (Oop! I'm not suppose to tell my age)

O.K., Howard, the ball is in your court.

February 18 - "Surprise Program" by Lea Senghaas

Well, I tried to get Lea to tell me what her program is about—didn't work. She just giggled! Well, I guess you are going to come and find out. I haven't the 'Foggiest' idea what she is planning. She will have something interesting, I'm sure.

OK, Lea. Have it your way!!!! This program had better be good!

Yours in Philately, Pat Richmond

Pat Richmond presented two awards at the party. First was an Honorary Life Membership in thanks for his establishment and running of our club website - sastamps.org. He does an excellent job of it, too. The second award was a life membership awarded to Brittany Roberts, who became a Junior Member in 2003. Brittany has helped with running our auctions for many years, and was elected as Communications Chairman for 2022. These two special people are already exemplary members of our club.
