EDITOR'S CORNER

Mother's Day is Sunday May 14. For collectors of United States stamps, the only stamp issued specifically to honor mothers and their special day is the purple 3¢ commemorative stamp issued in 1934. The stamp has the distinction of having been designed, at least in part, by a U.S. president. Brian C. Baur, a collector of U.S. stamps, tells the story of this stamp in his book *Franklin D. Roosevelt and the Stamps of the United States 1933-45.* President Franklin D. Roosevelt, a stamp collector in his own right, received a request for a stamp to commemorate the 100th anniversary of the birth of U.S. artist James Abbott McNeill Whistler, and another for a stamp to honor mothers, for mailing cards and letters for Mother's Day. FDR combined the two subjects as he took pencil to paper to sketch his proposal for a stamp design. He handed the design to Postmaster General James A. Farley, who, Baur said, was visiting the White House. The date was Feb. 16, 1934. Victor S. McCloskey Jr. designed the stamp, reproducing Whistler's painting and adding carnations in the lower left corner. McCloskey used Roosevelt's suggested inscription, "In Memory and in Honor of the Mothers of America," placing it to the left of the seated subject. More than 193 million stamps were printed on the Bureau's rotary press, (Scott 737)perforated gauge 11 by 10½, and more than 15 million stamps were printed on the flat-plate press(Scott 738) gauge perf 11. The stamp was issued May 2, 1934, but as is often true today, stamps were sold prior to the issue date. Covers exist to document the early releases. The first uncut press sheet was presented to President Roosevelt, and the second press sheet was given to first lady Eleanor Roosevelt. Other dignitaries also received press sheets. When word got out that one of the press sheets was offered to the Scott Stamp & Coin Co. to be sold, stamp collectors protested. To calm the protests, Postmaster General Farley ordered a special printing of 20 issues in sheets without gum or perforations to be made available to the public. The special printings, issued in sheets of 400 (Scott 752) or 200 each (753-771), became known as "Farley's Follies." The special imperforate printings were issued March 15, 1935, and included the flat-plate 3¢ Mothers of America stamp (Scott 754).

WE WELCOME VISITORS

Please view our website **sastamps.org** for information on our meeting schedules

SAPA is always happy to welcome visitors. We hope you will enjoy our activities and wish to join us as members.

All visitors are welcome to purchase stamps at our auctions, bourses and bag nights. Anyone wishing to sell or trade at our meetings must be a member.

AUCTION ETIQUETTE :

Be sure to get your Bidder's number card before the auction starts. Come early and look over the lots for sale before the auction. During the auction, lots will be identified by their lot number and a brief description of the lot.

When bidding for a lot, please raise your Bidder's Number card and keep it up until you no longer wish to bid. Flipping the card up and down is confusing for the auctioneers.

Please keep extraneous conversation to a minimum. This makes it easier for everyone to hear what the auctioneer is selling, and allows the auctioneer to more easily keep track of the bidding.

While your purchases will be given to you during the auction, please wait until the end of the auction to pay for them. Your name will be called as the tallys are completed. Those who are only buying will be called first. Buyers who are also sellers will be called next. Checks made out to S.A.P.A. are acceptable. Sellers with unsold lots should be sure to pick up their lots before leaving.

Please be sure to return the Bidder's Number cards so that we can use them again in the following auctions.

We look forward to meeting you.

UPCOMING SHOWS & BOURSES

SAPA PICNIC

Officers of the Board have agreed that the party will take place as scheduled on Friday, 16 June. There will be NO CHARGE for this party; SAPA will pick up the cost.

That is the good news; now the details. SAPA will get the usual Texas brisket. Attendees are requested to bring a dish/salad/dessert to accompany the brisket.

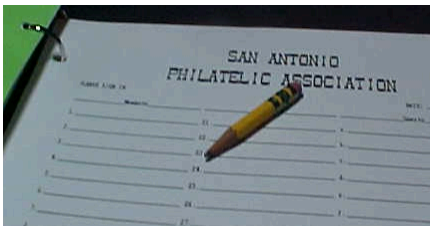
Requirement: We need a head count of how many of you (including family and friends) will attend the party. We need this No Later Than Thursday, 1 June in order to have this number in hand at the regular club meeting on Friday, 2 June. Just reply to this email, and I'll include you in the numbers. Or, you can inform Chip, Al, or Steve Mabie of your attendance.

Items to sort out: While we ask you to bring a dish/salad/dessert, we need to sort out drinks and plasticware. Who supplied these at previous parties? Are those early suppliers willing to provide at this party? Are there caches of plasticware that we are not aware of? Your comments will be appreciated.

We have 2 meetings in June before the party to work on details. That should be enough time for planning/organizing!

As always, any of you who know members who do NOT receive emails, please contact them and inform them of the above information, especially the need to inform us about attendance.

Fred Groth, **Treasurer (and Secretary a.i.)**



Passing the Pencil

My son, Gregg Baumgardt and I joined SAPA when we were meeting at St. Luke's in 1968. Since then I have had some type of position or two or three some times all at one time . My hiatus was the time I took off three years to take care of my ailing mother. Since then until now, I have been either secretary or liaison for the Juniors or both. And general overall pain in the pocketbook!!!!!! (remember the tickets I warted every one about?)

But, now I am 87 years old and coming to meetings on Friday evening is too much of a hassle. It is now that I am passing the Pencil to Fred Groth. Al Lozano is in charge of the programs. I will still do "Classics from the Vault" programs. When we had to move our library, I had several copies of people's programs—Vernon Duncan, Bob Boyd, Warren Crane, Eric Shepherd, et cetera and I will be able to make power point presentations from them for quite a few programs in the future. So, you have not seen the last of me.

It has been an extraordinary pleasure to have had the opportunity so serve this great gang.

Yours in Philately, Pat Richmond

"Cinderella Stamps-No Glass Slipper Required "

presented by **Howard Wallace** - March 24, 2023

Cinderellas in the philatelic world are those things that look like stamps to pay postage…but are NOT. These bits of paper (or other material) have many purposes on and off envelopes. According to Howard they can include revenue stamps (taxes and fees), support charities (Red Cross), advertise companies, advertise national exhibits and fairs, advertise states (Howard's state of Hawaii), support war efforts (World War II), publicize national parks, and on and on. Howard's program of examples showed that just about any subject can be a topic for collecting Cinderellas. Howard's program of digital photos as well as pages out of his collection was well received and was the source of much discussion by members. Also, thanks, Howard, for the samples of Cinderallas passed out to each member in attendance. We'll see if they motivate any of us to go down this path.

Fred Groth

What is a Cinderella Stamp? The simplest definition is any stamp or stamp-like item whose inclusion is not allowed in F.I.P. sanctioned exhibitions. The more romantic definition is that just as in the fairy tale, Cinderella was not allowed to attend the Royal Ball, the cinderella stamp is not allowed to attend the exhibition.

What categories of "stamps" are included? TAXPAID (Revenue) STAMP -- LICENSE or ROYALTY STAMP -- DUES STAMP -- LOCAL STAMP -- TELEGRAPH & TELEPHONE STAMPS -- SAVINGS STAMPS -- CHARITY STAMPS -- POSTER STAMPS -- BOGUS & FANTASY STAMPS -- LABELS -- SEALS -- ETIQUETTES (mailing) TOY STAMPS -- STICKERS. (There are many stamps that can cross over between two or more categories.) This list is certainly not complete - it is only intended to be a general guide.

TEXAS Cinderellas & Tax Stamps

I hope you enjoyed this presentation on this wonderful topic. It was intended to be a general guide. There are so many different "Cinderella Stamps" that have been created since the middle 1800s that it is virtually impossible to "catalog" all of them. So I continue to enjoy these fascinating stamp groups with new "finds" occuring all of the time.

Thank You!

Howard Wallace
