Welcome to the new, quarterly version of The PHILATEX, the official publication of the San Antonio Philatelic Association. This streamlined version will be limited to presenting the club schedule and any important information that you, our members, need to keep informed. We will continue to list the names of all new members, and, those of our members who have recently passed away.

If you have provided us with your email address, then you will receive each new edition via email. This will save the club the cost of printing and postage. A paper copy will only be mailed to those members who do not have access to email.

Our schedule of meetings is normally very repetitive. We will usually have 4 meetings a month. On meeting nights, the doors open at 6:30. The first meeting of each month includes a Board of Governors Meeting which starts at 7:15, and includes a Show & Tell starting at 7:30. The second meeting is our Auction night. All lots must be logged in and on the tables by 7:15, with the auction starting at 7:30. Bourse nights start at 6:30 thru 8:00. Programs start at 7:30. In June we have our annual club picnic and in December our Christmas dinner. On those nights, the doors open at 6:00 and the meals begin after the Blessing at 6:30. As has been our custom, there will be no meeting on major holiday weekends.
